. The challenge in this petition is to the vires of Section 101 and 154(2)(a) of the Maharashtra Cooperative Societies Act. Both the challenges have been rejected by the Division Bench of this court. Considering that, the main relief itself is not available, the question of exercising extra ordinary jurisdiction will not arise. It will be open to the Petitioner if aggrieved by the certificate to prefer revision against the same. With the above observations, Petition disposed of.
